INDEX

	Page		Page
Abacá, production trends, prewar, postwar, Latin America	205	Asia—	
Agricultural—		agricultural production, postwar progress. John C. Hobbes	17-21
basic law, Switzerland. Janet Stanton	194-198	South and Southeast—	
commodities, selected, United States exports, percent of production, 1935-39 average, 1951	153	agricultural production, total and per capita, prewar, postwar	18
cooperative(s), Japan—		crops (major), production, prewar, postwar	19, 20
and federations, functions	117-118	BACON, Lois: Europe's East-West Trade in Food, 1950 and 1951	216-219
development made in 1900's	115-116	Bananas, production trends, prewar, postwar, Latin America	205
measures to strengthen	118-119	Barley—	
program. Gordon H. Ward	115-119	production, prewar, postwar—	
districts, Norway, map	[64]	trends, Latin America	205
exports—		volume, Argentina	207
are big business, United States. Fred J. Rossiter	151-154	West Europe imports from East Europe, by country of origin, average 1934-38, annual 1949-51	219
from Indonesia, average 1935-39, annual 1946-51	187	Beans, production, prewar, postwar—	
information, please. Charles E. Rogers	77-79	trends, Latin America	205
policy—		volume, Argentina	207
Denmark. Karen Friedmann	39-43	Beef and veal, Ireland export, by country of destination, 1951	145
Norway. Gertrude Gronbech	50-53	Belgium—	
recent changes, Yugoslavia. Thomas M. Venables and Pauline McD. Michael	134-139	flax from, to Irish linen. Robert N. Anderson and Elwyn F. Chase, Jr.	127-133
production—		map	[148]
goals, Norway	50-51	Biometry, new tool for progress, underdeveloped areas. Henry Hopp	179-181
increase, need discussed at FAO Council session, Rome	140-141	Bolivia, phosphate discovery may boost agriculture. Frank J. Shideler and William L. Pritchett	182-184
index of volume, prewar, postwar, by country, Latin America	205	Brazil nuts, holiday treat from Amazon. (Picture layout.)	229
postwar progress, Asia. John C. Hobbes	17-21	Britain—	
total and per capita, prewar, postwar, South and Southeast Asia	18	food—	
volume, prewar, postwar, Argentina	207	consumption	81
products, total exports from Indonesia, 1935-39 average, annual 1946-51	75	demand for	81
research and education, fruit production, Yugoslavia	14	position, factors affecting. William Kling	81-83
services to foreign areas, conference. Cannon C. Hearne	72-74	See also United Kingdom.	
zones, annual rainfall, Chile, map	[104]	Bulgaria, grain exports to West Europe, prewar, postwar	219
Agriculture—		Burma—	
planning in, Czechoslovakia. Ernest Koenig	157-160	agricultural production, postwar progress	17
plantation, decline of, Indonesia. John E. Metcalf	74-76	rice. (Picture layout.)	54-58
tractors for world. Harold L. Koeller	27-31	Cacao, production trends, prewar, postwar, Latin America	205
Agrarian reform, Japan	116-117	Canada—	
Amazon, Brazil nuts, holiday treat from. (Picture layout.)	229	dairy industry. (Picture layout.)	34-35
ANDERSON, ROBERT N.: From Belgian Flax to Irish Linen. With Elwyn F. Chase, Jr.	127-133	tractors exported, by country of destination, 1950	28
ANDREWS, STANLEY: FAO Mobilizes for Increased Food Production	32-33	turkeys, number of	192
Apples, United States export, percent of production, 1935-39 average, 1951	153	Castor beans, production trends, prewar, postwar, Latin America	205
Argentina—		Ceylon—	
agricultural production, volume, prewar, postwar	207	agricultural production, postwar progress	18
turkeys, number of	193	citronella. E. T. Goonewardene	114

	Page		Page
CHASE, ELWYN F., JR.: From Belgian Flax to Irish Linen. With Robert N. Anderson.....	127-133	Cuba—	
Cheese, West Europe imports from East Europe, prewar, annual 1947-51.....	217	Agricultural and Industrial Development Bank—	
Chickpeas, production, prewar, postwar—		background.....	62-63
trends, Latin America.....	205	establishment.....	63
volume, Argentina.....	207	operation.....	63
Chile—		expands farm credit facilities. Robert S. Hoard....	62-63
agricultural zones, annual rainfall, map.....	[104]	Currency devaluation, 1931, Denmark.....	41
farm workers.....	88	Czechoslovakia—	
land—		agriculture, planning in. Ernest Koenig.....	157-160
problems.....	88-89	grain exports to West Europe, prewar, postwar.....	219
reform.....	89-91	map.....	[163]
tenure. P. M. Davenport.....	87-91	Dairy—	
Chocolate, old-time flavor restored. Robert L. Fowler and Norman W. Kempf.....	184-187	industry, Canada. (Picture lay-out).....	34-35
Citronella—		products—	
Ceylon. E. T. Goonewardene.....	114	basic agricultural law, Switzerland.....	197
grass—		United States postwar export.....	154
characteristics.....	114	DAVENPORT, P. M.: Land Tenure in Chile.....	87-91
oil distilling process.....	114	DE LEON, DONALD: Kadang-Kadang Disease of Coconuts in the Philippines.....	103
CLINE, A. C.: Forestry in Point IV.....	36-38	Denmark—	
Coconuts, kadang-kadang disease, Philippines. Donald De Leon.....	103	agricultural policy. Karen Friedmann.....	39-43
Coffee—		commodity programs.....	41
areas, in relation to rust disease, world, 1952, map....	160	currency devaluation, 1931.....	41
chemical curing, El Salvador. Ralph E. Hansen.....	155-156	debt alleviation.....	42
production trends, prewar, postwar, Latin America....	205	foreign trade control.....	41
Collective farms, fruit (type), production, Yugoslavia....	14	tax reduction.....	42
Collectivization and cooperative policy, changes since 1945, Yugoslavia.....	136-138	DIETZ, GEORGE J.: Ireland's New Export Meat Trade..	144-146
Colombia—		Dry legumes, West Europe imports from East Europe, prewar, annual 1947-51.....	217
land tenure, some observations on. T. Lynn Smith..	119-123	East Germany, grain exports to West Europe, prewar, postwar.....	219
map.....	[124]	Ecuador, Pichilingue, farms for workers. John P. Keenan.....	80
Conference—		Eggs, West Europe's imports, from East Europe, pre- war, annual 1947-51.....	217
agricultural services to foreign areas. Cannon C. Hearne.....	72-74	El Salvador—	
land tenure, world. Bryant Kearl.....	7-11	chemical coffee curing. Ralph E. Hansen.....	155-156
Corn—		from oxcart to tractor. E. William Ranck.....	147
production, prewar, postwar—		Entomology in Point IV. Edson J. Hambleton.....	171-174
trends, Latin America.....	205	Europe—	
volume, Argentina.....	207	East-West trade in food, 1950, 1951. Lois Bacon..	216-219
West Europe imports from East Europe, by country of origin, average 1934-38, annual 1949-51.....	219	trade liberalization under OEEC. Elfriede Krause..	93-98
Cotton—		See also West Europe.	
production, prewar, postwar—		Exports—	
trends, Latin America.....	205	basic agricultural law, Switzerland.....	197
volume, Argentina.....	207	See also Agricultural exports.	
United States export, percent of production, 1935-39 average, 1951.....	153	FAO—	
Credit. See Farm credit.		council session, Rome. Thomas E. Street.....	140-141
Crop(s) —		mobilizes, increased food production. Stanley An- drews.....	32-33
exported from Tingo María, 1946, 1950.....	70	Farm(s) —	
production—		credit facilities expanded, Cuba. Robert S. Hoard..	62-63
index construction.....	206-207	for workers, Pichilingue, Ecuador. John P. Keenan..	80
major, South and Southeast Asia, prewar, postwar..	19, 20	FARNWORTH, CONSTANCE H.: Wool—Mainstay of Uru- guay's Economy.....	199-203
trends—		Fats, West Europe imports from East Europe, prewar, annual 1947-51.....	217
by index number, prewar, postwar, Latin America..	204	Fertilizer. See Guano.	
Latin America.....	204-207
